Store in a dry place below 86° F/ 30° C.

**NOT CURRENTLY REGISTERED FOR SALE AS AN ORGANIC INPUT MATERIAL IN CALIFORNIA*

Brew Your Way to a Greener Thumb Today!

It's simple - the only required hardware is a strong air pump and stone:

Fill dry tea into the burlap bag. Apply 1 cup per 5 gallons of fresh brew.

Use equal amounts (1/2 cup ea.) of Part A (**Boogie Base**) & Part B (**Boogie Boost**).

Place one or more air-stones in the reservoir/bucket.

(Optional: Insert an additional air-stone directly into the brew bag).

Tie bag & immerse in a chlorine-free reservoir. Turn on air pump.

(Use an inline filter or aerate water for several hours to remove chlorine).

After several hours, a 'tea' will start to form: Allow 24 hours of brew time.

Go Green by Growing Green!

Application: Full strength tea uses 1 cup of combined ingredients per 5 gallons of brew. Apply 1/2 cup each of Part A (**Boogie Base**) & Part B (**Boogie Boost**).

Feed tea at any concentration; employ *other* soil-inputs at *half strength* or less.

Soil/Hydroponics: Dilute 1:2 to 1:5 & drench grow media up to 2x/ weekly.

Stand-alone tea: Feed either half strength or full strength up to 2x/ weekly.

Foliar: Dilute 1:5 as a leaf spray. **Lawns:** Dilute 1:20 and spray weekly.

Heavy Harvest Boogie Brew is a blend of non-plant food ingredients and consists of a 2-part formula. Contents include 2 separate packages, containing:

A) **Boogie Base**®: Worm castings with minerals & a wood chip / biochar base.

B) **Boogie-Boost**®: Veeganic®* additive blend.

This product, (and its intended use), is expressly sold as an auxiliary soil amendment, (not a fertilizer).

Caution: Not intended for human or animal consumption. Keep away from pets & children.

Storage: Keep ingredients in a dry and cool environment.

Warranty: Any stated or implied liability is limited to this product's initial purchase-price value.

Derived from: Worm Castings, Soluble Sea-Kelp Powder, Amino Acids from Soybean Hydrolysate, Kelp Meal, Soybean Meal, Alfalfa Meal, Rock Phosphate, Langbeinite, Volcanic Ash & Trace Ocean Minerals.

Also Contains Non-Plant Food Ingredients:

18.6% Humus (Derived from Wood Chips); 1.9% Humates (Derived from Humic Shale Ore),

4.3% Humic Acid w/Potash (Derived from Leanardite); 7.9% Cane Juice Sugar;

7.5% Yeast - Species *Saccharomyces Cerevisiae*, (< 10 CFU/Cc, Inactive Dried Yeast).

Boogie Base - (Package A) Ingredients: Worm Castings, Composted Wood Chips, BioChar, Trace Ocean Minerals, Volcanic Rock Ash & Fossilized Kelp.

Boogie Boost - (Package B) Ingredients: Soluble Kelp Powder, Soybean Hydrolysate, Brewer's Yeast, Kelp Meal, Soybean Meal, Humate. Evaporated Cane Juice Sugar, Humic Acid with Potash, Alfalfa Meal, Rock Phosphate, Langbeinite.
